

GRADE 12 PLAYER EXEMPTION

APPROVAL

1. As of February 17, 2023, the Football PEI Board of Directors have officially approved the following exemption;

EXEMPTION

2. “The U18 Community Flag & U18 Community Tackle leagues will allow a ‘Grade 12 Player Exemption’ to any individuals deemed to be ‘over-age’ that are; Currently enrolled in, or will be entering their first year of grade 12; AND have a date of birth of September 1st through December 31st, inclusive; AND are not currently 19 or will be turning 19 within the current calendar year.”

STIPULATIONS

3. The ‘Grade 12 Player Exemption’ will come into effect immediately. It will be in effect for Community Flag AND Community Tackle seasons. However, this exemption does not apply to any Football Canada or Inter-Provincial sanctioned events (such as Provincial Flag teams playing in the U18 National Championships or the U18 Provincial Tackle Team playing in the Atlantic Bowl). Football PEI will not require an application process for this exemption – athlete date of birth and a ‘Grade 12 Player Exemption’ checkbox on registration forms will suffice.
